MUHAMMAD ZUNOON ALI
JUNIOR PHP/LARAVEL DEVELOPER

Summary

Ambitious and fast-learning Junior PHP/Laravel Developer with hands-on experience in backend systems, APIs, and CMS development. Strong foundation in OOP, MVC, database design, and practical frontend skills for clean, responsive interfaces. Currently pursuing BSCS (5th Semester) at SZABIST, combining discipline, curiosity, and a strong engineering mindset. A developer who learns fast, takes ownership, and delivers value from day one.
